Dance Team Intensive

This year, we will be offering a dance team intensive class that will focus on High Kick and Jazz Technique for students who are interested in trying out for dance team, keeping up with the dance team technique, or just want to learn more about these styles.

This class will take place in two different sessions and students will have the opportunity to take just the first session or continue on with the second session after a break during the dance team season.

Intensive 1: Technique

Class Schedule: Thursday September 14th – Thursday October 19th (6:30 – 7:45)

Focus: We will be working on stretching, kicks, turns, leaps, jumps, and all around technique. There will be no choreography taught.

Note: The recital installment would **not** be required for this intensive. It is only required if students are also taking Intensive 2.

FEE: \$110

Intensive 2: High Kick & Jazz Choreography

Class Schedule: Thursday February 22nd through recital (6:30 – 7:45)

Focus: This intensive will build on the technique learned in intensive 1 by learning 1 or possibly 2 routines for the recital.

Note: If 2 routines are desired, the recital installment would need to be increased to cover the cost of both costumes.

FEE: \$215

Registration for Intensive 2 is required by the end of Intensive 1 (October 19th) in order to make sure that costumes can be ordered on time for the class.

There will be no dance team intensive classes from October 26th through February 15th.
