

We are excited to have The Raddettes return for our fifth performance season! The Raddettes Performance Team has allowed our dancers to grow in their dance skills and provided additional performance opportunities throughout the year. It has been a fun way to build community among our dancers at Raddatz Dance!

Session Information: The season will run September – September, with dancers having multiple performance opportunities. Regular classes will run from September thru May, with a handful of additional practices in the summer months. Students will learn dances for a holiday performance at local nursing homes and senior living, a Timberwolves game, our May recital, a Saints game, and multiple parades. Additional performance opportunities may be added as well.

Tuition/Fees: Raddettes Performance Team is a part of our regular season schedule and falls under our normal tuition and recital installment schedule. In addition to this, Raddettes have another performance fee to help cover the cost of their team shirts, summer practices, pom maintenance, and event entrance fees. This \$40 fee is taken out on February, March, April, and May 1st. There is no tuition/fees to be paid during the summer months.

Tentative Performance Schedule

All parade dates are tentative and based on previous years. Once official dates have been posted, we will update our schedule. The Timberwolves and the Saints performance dates will be updated once they have been booked. Additional performance opportunities may be added.
